

The Phoenix Lastadian Lutheran Church will resume church services at the church starting on May 17<sup>th</sup>. Our schedule for the month of May will be 8:30am, 10:30am and 7pm services. Bible class will resume its normal schedule.

Our summer schedule will be Sunday services at 8:30 and 10:30am and Bible Class on Wednesday at 7:00pm This will run from June 1 through Sept 13.

The Glendale congregation will be joining us as their rental facility is not available for use. We have added an additional service on Sunday to accommodate the larger group.

We are asking that anyone who is sick or has been sick recently to listen online. Those who are elderly, have a weakened immune system or are otherwise at risk should consider listening online. If you have duties assigned to you and you are not comfortable attending, feel free to let the head of your group know and we will have someone fill in for you.

We want to encourage hand washing and will have hand sanitizer available in the foyer. Our cleaning crews will be given instructions on disinfecting and cleaning after each service.

We ask for God's blessings as we resume our normal gathering at services.
